Ten Million Wells Produce Oil For C.N.R.

MONTREAL, Oct. 14.—With control of 820 acres at Vermilion, Alta., on the Canadian National line between Edmonton and Saskatoon, C.N.R. Limited, a subsidiary of the Canadian National, has begun production of fuel oil for the railways locomotives in Western Canada, R. C. Vaughan, chairman and president, announced today.

Already 20 wells have been drilled, out of a planned 80, and 10 are now producing 350 barrels a day. Other operations are producing in the same field, and the company takes the entire output of the Vermilion refinery companies treating plant at Bordabou, close to Vermilion.

SHALLOW FIELD
The Vermilion oil field is known in oil circles as a shallow field and the oil-producing sands are located at depths of between 1,000 and 1,500 feet. The field was recommended by the Dominion Bureau of Geology, and J. W. Penney, manager of C.N.R. oil, who has had many years experience in the oil fields of South America and elsewhere, is optimistic of the field.

"We are operating the wells," Mr. Vaughan said, "as a wartime measure of precaution to secure an adequate supply and reserve of fuel oil for the railways' western service."

COAL SCARCITY
Operation in British Columbia and Alberta is, at present, largely dependent on fuel oil supplies brought through Pacific Coast ports and any interruption to this supply would seriously disrupt our service.

Bituminous coal is so scarce that it is impossible to use it as a substitute for oil. At present, the level of traffic, fuel requirements of the Canadian National in Western Canada are 1,000,000 barrels a day.

On his recent western tour Mr. Vaughan visited the wells and Bordabou and inspected the field and the cleaning plant.

Australia Gets New Spitfires
CANNBERRA, Australia, Oct. 14.—(CP)—British Spitfire planes of the latest type have been ordered to Australia as further proof of the British determination to bring about the downfall of Japan at the earliest possible moment, Foreign Minister Herbert V. Evatt told parliament today.

Reviewing his recent mission to Britain and the United States and his consultation with Prime Minister Churchill, Dr. Evatt quoted Mr. Churchill as saying:

"It is only a small instalment of what ultimately will be forthcoming from Britain for the purpose of crushing Japan."

Dr. Evatt said President Roosevelt's decision to assign more U.S. aircraft to the Pacific theatre, and Australian Air Force is being implemented in relation to 1943 deliveries.

Manitoba Calls 2 By-Elections
WINNIPEG, Oct. 14.—(CP)—By-elections to fill vacancies in the Manitoba legislature for the constituencies of Brandon and Portage la Prairie will be held on November 14, it was announced today. Nomination day will be Nov. 8.

The elections were made necessary by deaths of George Dinsdale, Brandon, and W. K. Seasmith, Portage la Prairie, both Conservative and both coalition government supporters.

Liberal-Conservative coalition forces will nominate candidates at Brandon and Portage la Prairie next week. The C.C.F. will have candidates in both constituencies.

Educational Dies
OXFORD, England, Oct. 14.—(CP)—Sir Michael Sadler, 84, in educational authority in secondary education, died today.

LONDON, Oct. 14.—(CP)—Soviet armies have captured the Dnieper river bend city of Zaporozhye, five miles from famous Dnieper dam, in an advance that impelled both the German occupation of the Crimea and the Nazi Dnieper river defence line, Moscow announced tonight.

By HENRY SHAPIRO
Exclusive to The Edmonton Bulletin

MOSCOW, Oct. 14.—The fate of Kiev was being decided today in Titanic battles between the city's northern and southern outskirts, where reinforced German armies counter-attacked desperately in last-ditch effort to save the most vital base of the Dnieper line.

Front dispatches said a crucial struggle raged near the confluence of the Dnieper and Desna rivers, where the Germans and the Red army were pouring men, guns, tanks and big cavalry units against the Soviet position, the right arm of the Soviet pincer against the Ukrainian capital.

Equally determined to strengthen the counter-attack constantly in a bid to block the development of the three-mile Red protrusion yesterday, the Germans had thrown in two fresh panzer and two infantry divisions.

The Red army was pouring men, guns, tanks and big cavalry units against the Soviet position, the right arm of the Soviet pincer against the Ukrainian capital.

Minister Says: Commission to Probe Miners' Pay in Alberta

OTTAWA, Oct. 14.—(CP)—Establishment of a three-man Royal Commission to investigate wage rates paid in Alberta and British Columbia and all matters relevant to or affecting application of the wartime wages control order in respect to such wages was announced late today by Minister Mitchell.

Chairman of the commission will be Mr. Justice G. B. O'Connor of Edmonton. Names of the other two members will be announced later. "Following its inquiry into the matter, the commission will report to the minister of labor, the National War Labor Board," Mr. Mitchell's statement said.

Mr. Mitchell recommended the appointment to the cabinet "because of the urgent necessity of maintaining coal production at the maximum," the statement said.

Damage Terrific in Surprise Blow Great Japanese Base at Rabaul Crushed by Mighty Air Armada

By DON CASWELL
Exclusive to The Edmonton Bulletin
Copyright, 1943, by British United Press
ALLIED HEADQUARTERS, Southwest Pacific, Oct. 14.—(AP)—A whole lot of what Pacific defence perimeter has been laid open today by the smashing of 177 planes and 123 ships at Rabaul, New Britain, in the heaviest air blow of the war in this theatre, a communiqué announced today.

Hurling into the attack virtually every combat plane in the area, the Allied command brought the Japanese completely by surprise at Rabaul—Japan's Pearl Harbor of the southwest Pacific—at midday Tuesday and battered them with 350 tons of bombs.

When the last of the armada raged away on Wednesday, they left behind:

- One hundred enemy planes destroyed and 51 severely damaged.
- Three destroyers, three large merchant ships, 31 smaller freighters and 70 harbor craft sunk or destroyed.
- Two destroyers, two naval tenders and a 7,000-ton freighter severely damaged.

"CATASTROPHIC DEFEAT"
In addition, the raiders demolished fuel and ammunition dumps.

J. W. Daffoe To Be Honored at Dinner

WINNIPEG, Oct. 14.—(CP)—J. W. Daffoe, president of the Winnipeg Free Press and internationally known newspaperman, will be honored here Saturday night at a testimonial dinner sponsored by the Winnipeg press club.

Mr. Daffoe's 60th birthday is being celebrated as a newspaperman and 21st anniversary of the press club.

He will be honored for his own profession, by representatives of federal, provincial and civic governments, and by members of religious and educational associations and leaders in the business world.

An attendance of 300 is expected.

Japan Proclaims Philippines 'Now Are Independent'

NEW YORK, Oct. 14.—(AP)—Japan proclaimed the "independence" of the Philippines today in a series of propaganda broadcasts and announced the inauguration of Jose Laurel as president of the puppet "republican government" set up under the thumb of Japanese armed forces.

The office of war information quoted the Tokyo radio as saying that Laurel took the oath of office in Manila at 9:40 a.m. (7:40 p.m. C.D.T. Wednesday) and 10 minutes later issued the "declaration of independence" of the Philippine republic.

Report Kesselring Recalled After Dispute With Rommel

STOCKHOLM, Oct. 14.—(AP)—The Berne newspaper La Suisse said today that Field Marshal Albert Kesselring has been recalled as commander of German forces in southern Italy after a dispute with Marshal Edwin Rommel, commander in northern Italy.

Rabaul Target of Greatest Pacific Air Blow

MONTREAL, Oct. 14.—(CP)—A Japanese great sea-air base on New Britain Island, has been smashed by the Allies in the heaviest air blow of the war in the southwest Pacific, it was announced today. With Finschhafen already in Allied hands and the fall of Madang believed assured, map shows how these two bases in New Guinea could be used to clamp a pincers about Rabaul.

Canadian Hospital Ship Reaches Port

HALIFAX, Oct. 14.—(CP)—The Lady Nelson, Canada's only hospital ship, arrived in port early today from overseas. She is lying at anchor in mid-water.

Now she is awaiting a berth at one of this port's busy piers, so she can discharge her cargo of wounded Canadian and American soldiers.

Possibly she has men on board from both Canada and the United States.

It is presumed in unofficial circles that she may be carrying troops, battle-scarred and wounded from the Sicilian and Italian campaigns, but it cannot be verified until the ship is interviewed her passengers.

This marked the completion of the fourth Atlantic round-trip for the Nelson, former flagship of the Canadian National Steamship Line.

U.S. Navy Loses Two Destroyers

WASHINGTON, Oct. 14.—(AP)—Loss of two American destroyers in the Mediterranean was reported today by the U.S. navy.

The destroyers, the Buck and Bristol, both sank as a result of a mine explosion, the navy said.

The Buck, a 1,500-ton ship, went down near Salerno Oct. 9 and the Bristol, a 1,500-ton vessel, sank yesterday.

The navy said casualty details had not been received.

Loss of the two destroyers, each of which carried approximately 250 officers and men, brought to 12 the number of U.S. naval craft lost since 1941.

The Buck was placed in service in May 1941, and the Bristol in October, 1941.

Say Allies Hold Some Greek Isles

NEW YORK, Oct. 14.—(AP)—Allied troops were reported in small islands in the Aegean Sea tonight to have captured some of the Cyclades, Greek islands in the Aegean north of German-held Crete.

Unconfirmed advice from Istanbul last week said British forces had landed on some of the islands and the report indicates the fourth day of the life there.

The islands have air bases and port facilities for submarines and small shipping. Fighting is reported there could range both to Crete and far over Greece.

Withdraw Troops

LONDON, Oct. 14.—(AP)—A British radio broadcast tonight said that the British government had decided to withdraw troops from the Aegean islands.

By Airplane

WINNIPEG, Oct. 14.—(CP)—Supplies for three white men and a woman isolated at Fort Ross, a fur trading post in the far north, may reach the lonely settlement early in November.

Plans for sending air force, possibly a United States army air force plane, as soon as weather conditions permit were near completion today.

"We hope to have relief for the post about the first week in November," R. H. Cheshire, manager of the Hudson's Bay company fur trade department, told The Canadian Press today.

"If the plane is unable to land, supplies will be dropped by parachute," he said.

NO SHIP FOR 2 YEARS
The traders at Fort Ross have been the world's food supply. The place has been able to reach the post for two years.

Fort Ross is 1,000 miles from Churchill, northern Manitoba port, and is 1,000 miles north of the Arctic circle—farther north than any other Canadian settlement.

The staff at Fort Ross includes W. A. Heslop of Newcastle-on-Tyne, the post manager; his wife, the former Miss Wren of Winnipeg; D. W. Munroe, chief, C. L. Williams, and Comptroller C. L. Williams, and Comptroller C. L. Williams.

Mr. Cheshire said October was not a "good weather month" in the far north, with heavy fog sweeping across the land, but generally conditions show improvement in the early days of November.

W. Bombers Ready

By WALTER CRONKITE

LONDON, Oct. 14.—Four months ago the British Royal Air Force returned the offensive today after a three-day lull in the penetrating German raids on Britain to attack targets north of London.

Thunderbolt fighters supported the heavy bombers in the first attack since the Battle of Britain, the bombardment of Münster and Coesfeld Sunday.

The attack on Münster, a city of 250,000, was the first since the Battle of Britain, the bombardment of Münster and Coesfeld Sunday.

Varied Reaction In Britain, U.S. To Italy's Move

LONDON, Oct. 14.—(CP)—A blend of satisfaction, skepticism and misgiving appeared last night to be the overall reaction in Britain to the Italian government's declaration of war against Germany, with most comments alive with reminders of Italy's former misdeeds.

Any idea that the change of sides had made Italy one of the United Nations or a full-fledged ally was discouraged.

The provision committee of directors of the Italian Socialist Party in London called the Italian government "an imposture."

The committee added that President Roosevelt's pledge that Italians would be allowed to choose their own government be put in force immediately.

GET LEND-LEASE AID

The Daily Telegraph said "it seems obvious that the new status of co-belligerence means that all Italian forces will rank for the entitled to immediate assistance—necessity, as in the case of the French, if they are to make any substantial military contribution."

The Daily Express said "the fascist crimes done in the name of all Italy must still be stored for."

"We must expect whatever will help lighten the task of our men and save their lives," said the Manchester Guardian.

"If the Italians mean by co-belligerence to do that we shall remember it in their favor, at the same time remembering also the many wrongs they did while they worshipped Mussolini."

The Daily Mail said "actions will count... the terms to be dictated by Italy can only be adjusted in the light of the assistance which she gives us. To put it another way, Italy will be punished for her misdeeds, but she may obtain remission for good conduct."

"BANDWAGON MOVEMENT" SEEN BY ITALY'S ACTION

WASHINGTON, Oct. 14.—(AP)—Washington, interested in the Italian declaration of war against Germany yesterday as the start of a bandwagon movement that could leave the Nazis isolated and internally shaken.

Nobody expected decisive direct military aid, at least not immediately.

The most immediate propaganda effects of the declaration and its acceptance by Great Britain, the United States and Russia are expected in the Balkans.

The little states of southeastern Europe may require only the Italian action to bring them to the final plunge into revolt against German domination.

Former Soldier Pleads Guilty To Drug Charge

VANCOUVER, Oct. 14.—(CP)—Charles, a drug investigator, who affected Canada's defense forces as far away as Alaska, came to justice yesterday when Charles William Davis, 41, pleaded guilty to having morphine and cocaine in his possession between Aug. 1, 1942, and July 28, 1943.

Davis, a former B.C. staff sergeant and New Westminster drug peddler, was sentenced to the jail of the city by Chief Justice Wendell Harris.

Dr. G. A. Harwood, B.C.M.P. told of his investigation of Davis, chief of army supplies following the finding of substitutions in medical stocks in Vancouver.

District News in Brief With Those In Uniform

SYLVAN LAKE.—First Class Stoker W. H. Fisher, sole survivor of the Crows is a nephew of Mrs. George Stagg of Sylvan Lake. His mother, Mrs. Elizabeth Fisher of Millarville, was a recent visitor at the home of Mrs. Stagg. Home on leave for Roy Cutler, R.C.A.F. Calgary; Tommy Nelson, Edmonton; and Arnold Peterson, Penhold.

MCCLENNAN.—Louise Chasse, R.C.A.F. (W.D.), is spending leave with relatives and friends. Percy Carley, R.C.N.V.R. is home on leave.

RED DEER.—Pte. Cyril Gallivan, R.C.A.F., has been reported missing on air operations overseas, according to word received by his wife, Mrs. Cyril Gallivan, Evelyn Grace (Tess) Trueman, youngest daughter of Mr. and Mrs. W. E. Trueman, has joined the C.W.A.C. and is taking basic training at Vermilion. She is the third member of her family to enlist. One brother is in the R.C.A.F. and another in the army.

WILLINGBODEN.—Pte. Ladimer Tonne of Maitland is home on leave, visiting his mother, Mrs. A. Tanne. John Gordichuk, R.C.A.F. Calgary, is also visiting his parents, Mr. and Mrs. L. Gordichuk.

CORONATION.—J. M. Molness, who graduated as a Sgt. Air Bomber at No. 7 A.C.S. Portage la Prairie, has been granted a commission. He arrived home on leave this week.

HARDISTY.—Frank Mathews, R.C.A.F., has completed his I.T.S. course in Edmonton and is home on leave.

KILLAM.—Sgt. A. McEachern is visiting friends and relatives here. Norman McPherson, R.C.N.V.R., was honored with a surprise party at the home of Mr. and Mrs. G. Stewart while spending leave here.

TWO HILLS.—Pte. Alex Olmick, Edmonton, is home on leave.

ATHABASCA.—Charles H. Parker, son of Mr. and Mrs. C. A. Parker of Athabasca, has been promoted to the rank of lieutenant. He is training at Brandon. Home on leave are Pte. J. J. Shaw, Calgary; Cpl. W. Lewis, A.C.I. Jerry Gorman and A.C.I. Alex Grant.

**Conservatives Form
Lloydminster Group**

LYDDMINSTER.—Dr. A. R. Gordon, president of the Lloydminster, was elected president of newly organized Progressive Conservative group here. Other officers elected were Hon. John Brocken, honorary president; H. H. Miner, vice-president; H. F. Aston, secretary-treasurer.

Elected to the executive were: S. M. F. T. O'Connell, C. A. B. Deland, J. B. Ryan, D. M. Philpott, L. Procter, A. Sudds, T. Westcombe, A. A. Nelson, Lane Moffatt, C. O. Bennett, and Mrs. W. Evers.

Bashaw Pioneer Dies

BASHAW.—David Pearson, 74, died yesterday of a heart ailment. He was born in Cahel, Ireland, and came to Canada in 1882. He moved to Bashaw in 1902 and operated one of the first stores in town.

He is survived by his wife, two daughters, Mrs. L. Wilson, Edson, and Mrs. B. Brade, Bashaw; and four sons, John and Stanley of Bashaw; R. L. T. Pearson, Calgary; and L. Cpl. B. Pearson, Lethbridge.

Funeral services were held from St. Peter's Anglican church, with the Rev. J. E. Burchell of Calgary officiating.

Gleaned From Rural News

ENDIAN.—A successful dance was held in the Endian Community hall Saturday. It was arranged by Albert Webber, Jr., and Mrs. E. R. Ballinger.

BASHAW.—Mac Baer was elected president of the United Church—Young People's Society at a recent organization meeting. Other officers elected were secretary, Shirley Brown; treasurer, Marjorie Pearson; and organist, Irene Brown. The society plans to meet at the United church weekly.

COLINTON.—Dale Mellett, son of Mr. and Mrs. Ben Mellett of Boyle, is undergoing a serious operation at the University hospital, Edmonton.

VERMILION.—Over eighty per cent of thrashing was completed when rain fell here Monday.

Arrangements have been made for Remembrance Day services at the Cenotaph. Veterans, air cadets and members of the C.W.A.C. will attend the services. Captain Leveridge will be in charge.

Opening of Vermilion's fifth Victory Loan drive will be marked by a band concert Sunday, Oct. 17. The C.W.A.C. band and a 30-piece brass band will play.

CALMAR.—A funeral service for M. Hayduk, who died Oct. 2, was held Sunday afternoon from St. Mary's Greek Catholic church. Dennis Porch, four-year-old son of Mr. and Mrs. S. Porch, died Sunday. A funeral service was held Wednesday from the Ukrainian Orthodox church.

Calmar schools opened with an attendance of 200 students. The teaching staff for the term includes Cyril Perch, principal; Mrs. White, assistant; E. Westlund, grades six, seven and eight; Mrs. D. Porter, grades four and five; and Miss Teruk, grades one, two and three.

CLIVE.—The Rev. and Mrs. F. Foster celebrated their twenty-seventh wedding anniversary Sunday. Among guests on the occasion were P.O. Harrow, Mrs. H. Harrow, and Mrs. A. W. Foster.

GLENDON.—A funeral service was held Sunday for a two-month-old daughter of Mr. and Mrs. George Driska. Burial was in Glendon cemetery.

A shower in honor of Miss Elaine Nigro was held at the home of her parents, Mr. and Mrs. C. K. Nigro. Viola Ruth, daughter of Mr. and Mrs. H. J. Marshall of Glendon, was married to Howard Peter Smiley, son of Mr. and Mrs. O. T. Smiley of Lamo, Wednesday, Oct. 7. The Rev. W. S. Frederick officiated.

A farewell party in honor of Mrs. P. R. Rahn was given at the home of Mrs. Rahn. The party was given by Mrs. Rahn, who was moving to the United States to join her husband, who is in the army.

Alberta Financial Problems To Be Discussed in East

Treasury Bills, Refunding Educational Matters, Seed Grain Advances on Agenda

Refunding of Alberta's net funded and unfunded debt, which amounts to \$140,754,156 at the end of March, 1943, will be discussed by Hon. Solon E. Low, provincial treasurer and minister of education, when he is in Montreal next week, it was learned Thursday.

The minister, who will also visit Toronto and Ottawa on government business, will be absent from Edmonton for about two weeks. He leaves Friday evening.

At Ottawa, Mr. Low will meet Hon. J. L. Riley, Dominion minister of finance, and will discuss the need of treasury bills held by Ottawa and a debt write-off proposal involving \$450,000, part of a loan floated between 1937 and 1932 to Alberta farmers as seed grain advances.

Treasury bill renewal to be discussed at Ottawa involves two bills, one for \$400,000 which was issued Sept. 1, and a second for \$1,600,000 which became due Oct. 1. The province requested that these be renewed, as has been done in the past but to date the Dominion has not complied with the request.

It has been suggested in Edmonton that when the Dominion and provincial treasurers meet regarding the treasury bill renewal, the Alberta government will ask for an adjustment between \$200,000 owing the senior government in treasury bills, and \$200,000 the province claims from the Dominion.

THE BREAK-DOWN

The \$200,000 loan is made up of approximately \$75,000 for natural resources allocated prior to formation of the province in 1905, and some \$125,000 for school lands, title to which was retained by Ottawa when natural resources were returned to Alberta in 1930.

The seed grain advance write-off plan was announced earlier by Hon. C. E. Gerhart, minister of municipal affairs. The advance was paid out by the Alberta government, and the Ottawa government reimbursed the province to the extent of 50 per cent of monies loaned.

Some \$730,000 has been paid back on the advances, and this sum

Gives Advice

Hon. D. B. MacMillan, minister of agriculture, who Thursday advised farmers to keep eastern wheat in their employ until threshing operations can be resumed.

MacMillan said that if too many men leave the province before harvest is completed, there might be difficulty in securing adequate help to finish threshing, the minister warns.

A considerable number of the province's harvesters have been released by farmers, on account of wet weather. These men are not in a position to take other employment, so are returning home.

Farmers would be well advised to keep the eastern men on, perhaps at reduced pay, to do ordinary farm work until threshing has resumed," Mr. MacMillan said.

has been shared with Ottawa on a half-and-half basis. The \$450,000 still outstanding is largely uncollectable, and the province would like to write it off. As the Dominion backed half of the advance made, authorization must be secured from Ottawa before this can be done.

ON EDUCATION

In Toronto Mr. Low will confer with educational authorities concerning mobile school units which are in operation in Ontario. They have been suggested as a solution to the problem of education in rural Alberta, and the minister will study the mobile plan with a view to its application here. At Capreol, Ont., one of the units may be visited by Mr. Low when it is in active operation.

In the minister's absence, Hon. A. J. Hoque, provincial secretary, will be acting minister of education. Hon. Dr. W. W. Coss, minister of health, will be acting provincial treasurer.

Bank Clearings through the Edmonton Clearing House for the week ended Oct. 14 totaled \$7,252, 628.38 as against \$4,551,044.67 for the corresponding period of last year.

Interior of the ground floor at the city police headquarters is being redecorated by the various officers. A general three-tone color scheme is being applied.

Chinese Airman Returns After 40 Days Crossings Of "Most Difficult" Air Route

The most difficult airplane route in the world, that which runs between India and China over mountains 17,000 to 18,000 feet high, has been conquered by a Canadian Chinese lad in the air force of China. He is Capt. Harold Chinn, who arrived in Edmonton Wednesday evening to visit his sister, Beatrice Chinn, nurse at the General Hospital.

A guest at the Corona hotel, Capt. Chinn, accompanied from Vancouver by his father and mother, Mr. and Mrs. Chinn, will be here for another day before leaving the continent of America for the Far East.

Capt. Chinn has travelled the route from India to China ten times without a single mishap. He was chiefly interested in carrying supplies from India to the home of his ancestors, and before the fall of the British Empire he had flown from there to China. Before leaving for Canada to spend a leave with his family, he was stationed at Calcutta with the Chinese Air Force. He was known as the Chinese National Aviation Co-operation, named given to the Chinese air force stationed outside of China.

The night before the fall of Harrow, Capt. Chinn flew Generalissimo Chiang Kai-shek, and Mrs. Chiang Kai-shek, to the United States. He also assisted in the evacuation of Hong Kong and Canton after the fall of that city, until it was impossible for an airplane to go into that area because of the Japanese. He was then transported by plane to the nearest airport in China.

PRISONERS ARMED

Capt. Chinn highly praised the airman in the Chinese air force. He said they were a nation for the Japanese in every way, that they had power equipment to work with Russia had been sending airplane supplies into China recently, he explained, and the situation is somewhat better now than it was at the beginning of the war.

When asked what he thought of Russia, and her position with the Allies in this war, he said that he was sure Russia would be an ally to the end.

FOOD PROBLEM

The biggest problem in China today, the aviator said, is a food problem. The people are dying by the hundreds for want of food, although the Chinese Relief Fund, and the Red Cross have been providing food.

Capt. Chinn said for both these organizations to work together, he thinks that he has not thought much of joining the R.C.A.F. because he thinks that he will do more good, and will better assist the cause for which Canada is fighting, as a member of the Chinese National Aviation Co-operation forces.

A-R-O-U-N-D THE TOWN

Former manager of the Edmonton Brewery and now manager of the Caplano Brewing Co., Vancouver, T. O. Turner arrived in Edmonton Thursday for a short holiday. He is accompanied by Mrs. Turner. They are guests at the MacDonald hotel.

The Edmonton Sea Cadets Corps will parade on Friday, Oct. 15 at the Edmonton naval barracks at 10:00 hours. All cadets are particularly advised to be on time for the parade which will start at 10:00 hours earlier than usual. Blue jerseys are to be issued at this parade and all cadets must attend.

Dr. G. S. Hume, Calgary, regional representative of the Dominion controller, will leave Friday for Vernon on a routine inspection of drilling operations in that field. He will visit the Lloydminster field also, and will view the operations preparatory to bringing into production a well being drilled by Comstock Oil Co.

MISS CHRISTIE CORMACK, supervisor, rooms registry, Y.W.C.A.: Of course people may think we prejudiced, but I feel it would be almost a necessary measure under existing conditions, if landlords were given the chance of appealing in cases of really bad tenants.

RUSSELL BROWN, tenant: I think the best thing the evictions should certainly be done. A lot of landlords are taking advantage of the situation at present and turning people out for more or less reason than they may be able to make out in a court of law. I think nobody should be allowed to do things like this in wartime.

I Saw Today Labor Progressive Party Plans to Run 60 Candidates in Next Dominion Election

The Labor Progressive Party will run 60 candidates for Parliament in the next Dominion general election, Tim Buck, national leader of the party, declared in an address before an audience of 500 persons at the Masonic Temple Wednesday night. The meeting was in connection with a concert sponsored by the Labor Progressive Party.

About 500 persons attended and heard addresses by Robert S. Evans, Labor Progressive nominee for the Edmonton East constituency; Jan Latham, candidate for aldermanic honors in the forthcoming city election; and James A. MacPherson, provincial leader of the Labor Progressive Party.

Mr. Buck declared the party would not be running candidates for parliament as symbols or tokens of ostentatious opposition. They would be nominated only where there was definite support from the "left wing" and where there was need of representation in parliament.

Mr. Buck reviewed the formation of the party, following the Dominion general election, July 1935, the ban on Communism.

"This is a new party," he said. "It is not the Communist party under another name. We have a new party, the life of the Canadian people."

He said the party aimed at carrying out democratic policies that Continued on Page Fifteen

First Woman to Travel Length of Alaska Highway

The first woman to have travelled overland the length of the Alaska Highway, Mrs. Gertrude Baslake, visiting from Vancouver, B.C., arrived in Edmonton Wednesday, on her way to a gruelling part of the trip.

Given special permission by military authorities, Mrs. Baslake viewed the Alaska Highway from every angle, kind of conveyance, car, pickup truck, jeep, plane, helicopter and even her own two feet, collecting material for articles and lectures.

NO ACCOMMODATION

A gruelling part of the trip was travelling with practically no baggage, sleeping in makeshift quarters at construction camps. Mrs. Baslake speaks very highly of the co-operation given her by Canadian and U.S. military authorities. "There was no accommodation for women after dark," she said, "and my sleeping bag became my most highly prized possession."

THE INQUIRING REPORTER

What do you think of Mayor John W. Fry's appeal to Ottawa to stop evictions until the war-time houses are ready for occupation?

THE ANSWERS

ROBERT WILSON, salesman: I would not like to say definitely that the freezing of evictions would be a good thing for all concerned because I feel it would work a hardship on a lot of land-lords who perhaps are in a financially sound position. They are undoubtedly working hard on a lot of unfortunate victims of circumstances.

TRUCKERS FINE MEN

Mrs. Baslake reports that she could never thank the truck drivers enough for their courtesies and help. They are the finest group of men, she said.

Mrs. Baslake's husband is also a globe-trotter. He is a civilian engineer attached to the War Office in London, England, and Mrs. Baslake reports that he has just been back from a tour of duty in the Far East.

A free lance writer and a member of the executive committee of the Sorbonne of Paris, and holder of a War Office in London, England, Mrs. Baslake reports that he has just been back from a tour of duty in the Far East.

Mrs. Baslake is a graduate of the Sorbonne of Paris, and holder of a War Office in London, England, and Mrs. Baslake reports that he has just been back from a tour of duty in the Far East.

FLEW OVER EQUATOR

Her travels in various parts of the world include an automobile trip from Spain to Constantinople with another woman. She was also the first woman to fly over the Equator on the Pacific side (1929).

Mrs. Baslake has a name for herself as an author and her poem "Blackout Over Damascus" won first prize recently in the Canadian Poetry Magazine contest. She is also a frequent contributor to the magazine.

3 Edmonton Men In Casualty List

Names of three Edmonton men appear in the R.C.A.F. casualty list of Thursday.

Charles Gordon Oliver, husband of Mrs. C. G. Oliver, 10117 141 street, is missing on active duty.

Pilot Officer Gordon Ralph Burton of this city, who was previously reported missing, is now known to be a prisoner of war in Germany.

G. A. Burton, of 1208 19th Avenue is the wife of the officer.

Nat. Lawrence Dubeau, son of Peter Dubeau, 10181 street, is presumed to have died on operations overseas.

In the Battle of Juliano in 1940, there were only 232 ships in 1940.

Rifle Discharge Cause of Action

Claiming \$25,835 special and general damages for injuries received when a .25 calibre rifle was discharged in the Midland and Pacific Grain Corporation elevator at St. Paul on Oct. 6, 1941 the hearing of an action brought by Anthony Fraser, Lee Bellevue district farmer, opened in supreme court Wednesday morning before Mr. Justice C. McLaughlin.

It is alleged by the plaintiff that the rifle was discharged negligently by Rowland Fremont, 12-year-old son of the elevator agent, and that the boy's father, Laurence Fremont, was negligent in permitting the weapon to be on the premises. The Midland and Pacific Grain Corporation also is named as a defendant to the action.

Hugh John Macdonald, K.C., Sub. J. W. G. Morrow, and Miss E. A. Chenille are acting for the plaintiff, and S. Bruce Smith K.C., and Neil V. German for the individual defendants, with Ronald Marland K.C., for the Midland and Pacific Grain Corporation.

Mr. Fraser received severe lacerations in the lower abdomen and right side, and his injuries are stated to be of a permanent character. The hearing is proceeding.

Collections Show Gain in Alberta

Mortgage collections in Alberta have made substantial improvement during the past year despite adverse marketing conditions experienced by the farmers. J. A. Gray, Montreal, superintendent of mortgages for the Sun Life Assurance Co. of Canada, stated on his arrival here Wednesday in the course of a tour of Western Canada.

He said that the Sun Life still looks with favor on Alberta and when the circumstances permit look forward to the development of a mortgage lending policy in this province, particularly in regard to national housing.

The Sun Life, he said, had one-third of the total invested in housing loans in Canada and in other parts of the world. He said that the company had been negotiating outside the government guarantee.

Missing Refugee Sought in City

Whereabouts of a C-100-000 refugee to Canada was being sought Wednesday by all branches of missing persons, city police department. The refugee is Dr. Arnold Glas, who came to Canada in 1938 from Lankaran, Czechoslovakia, and is said to be about 40 years old.

Only relative of the missing man is Sgt. Polek Jirka, H.P.O. Coy., R.C.A.P., Ottawa, a cousin, who broke asking for assistance in locating him.

Dr. Glas was believed to have come to Alberta, although the communication gave the post office as Tupper, Tupper is located in British Columbia.

Noted Band Leader Here For Two Days

"Broadway shows a winner." If proof is needed the cheers, flowers, spotlights and celebrities that were packed into New York's Roosevelt ballroom one evening recently removed all doubt.

The occasion was the presentation of a gold trophy to Fletcher Henderson, the "King of All Swing."

In fact, those were the exact words of Ed Flynn, the music critic, as he handed Fletcher the cup.

"This is our way of honoring the King Arranger of them all."

That was the signal for loud cheers, applause, and the popping of countless flashlights.

Friday and Saturday nights, local bands will converge at The Barn ballroom to dance and hear the rhythm that is the new high in the world of dance music, provided by the "King of All Arrangers."

Fletcher Henderson and his orchestra are coming to Edmonton's ballroom to meet from the Roosevelt ballroom in New York City.

Chokes to Death

KASLO, B.C. Oct. 14.—(CP)—Angus Ronald McQueen, 44, died here Tuesday when he choked on a piece of food while eating his lunch.

McQueen was taken to hospital where the food particle was extracted but not in time to save his life.
